

Cinderella

Cinderella ran to the garden and brought her godmother the finest pumpkin she could find, wondering how this would help her to go to the ball.

The godmother scooped out the inside of the pumpkin, leaving nothing but the rind. Then she touched it with her magic wand, and the pumpkin was changed in a moment into a fine coach, all shining with gold.

After that she went to look into the mouse-trap, where she found six mice, all alive. She told Cinderella to lift the trap-door up a little, and as each mouse came out she gave it a tap with her wand. At once it was changed into a beautiful horse. This made a very fine team of six horses, all dappled grey in colour.
