

Word Searches

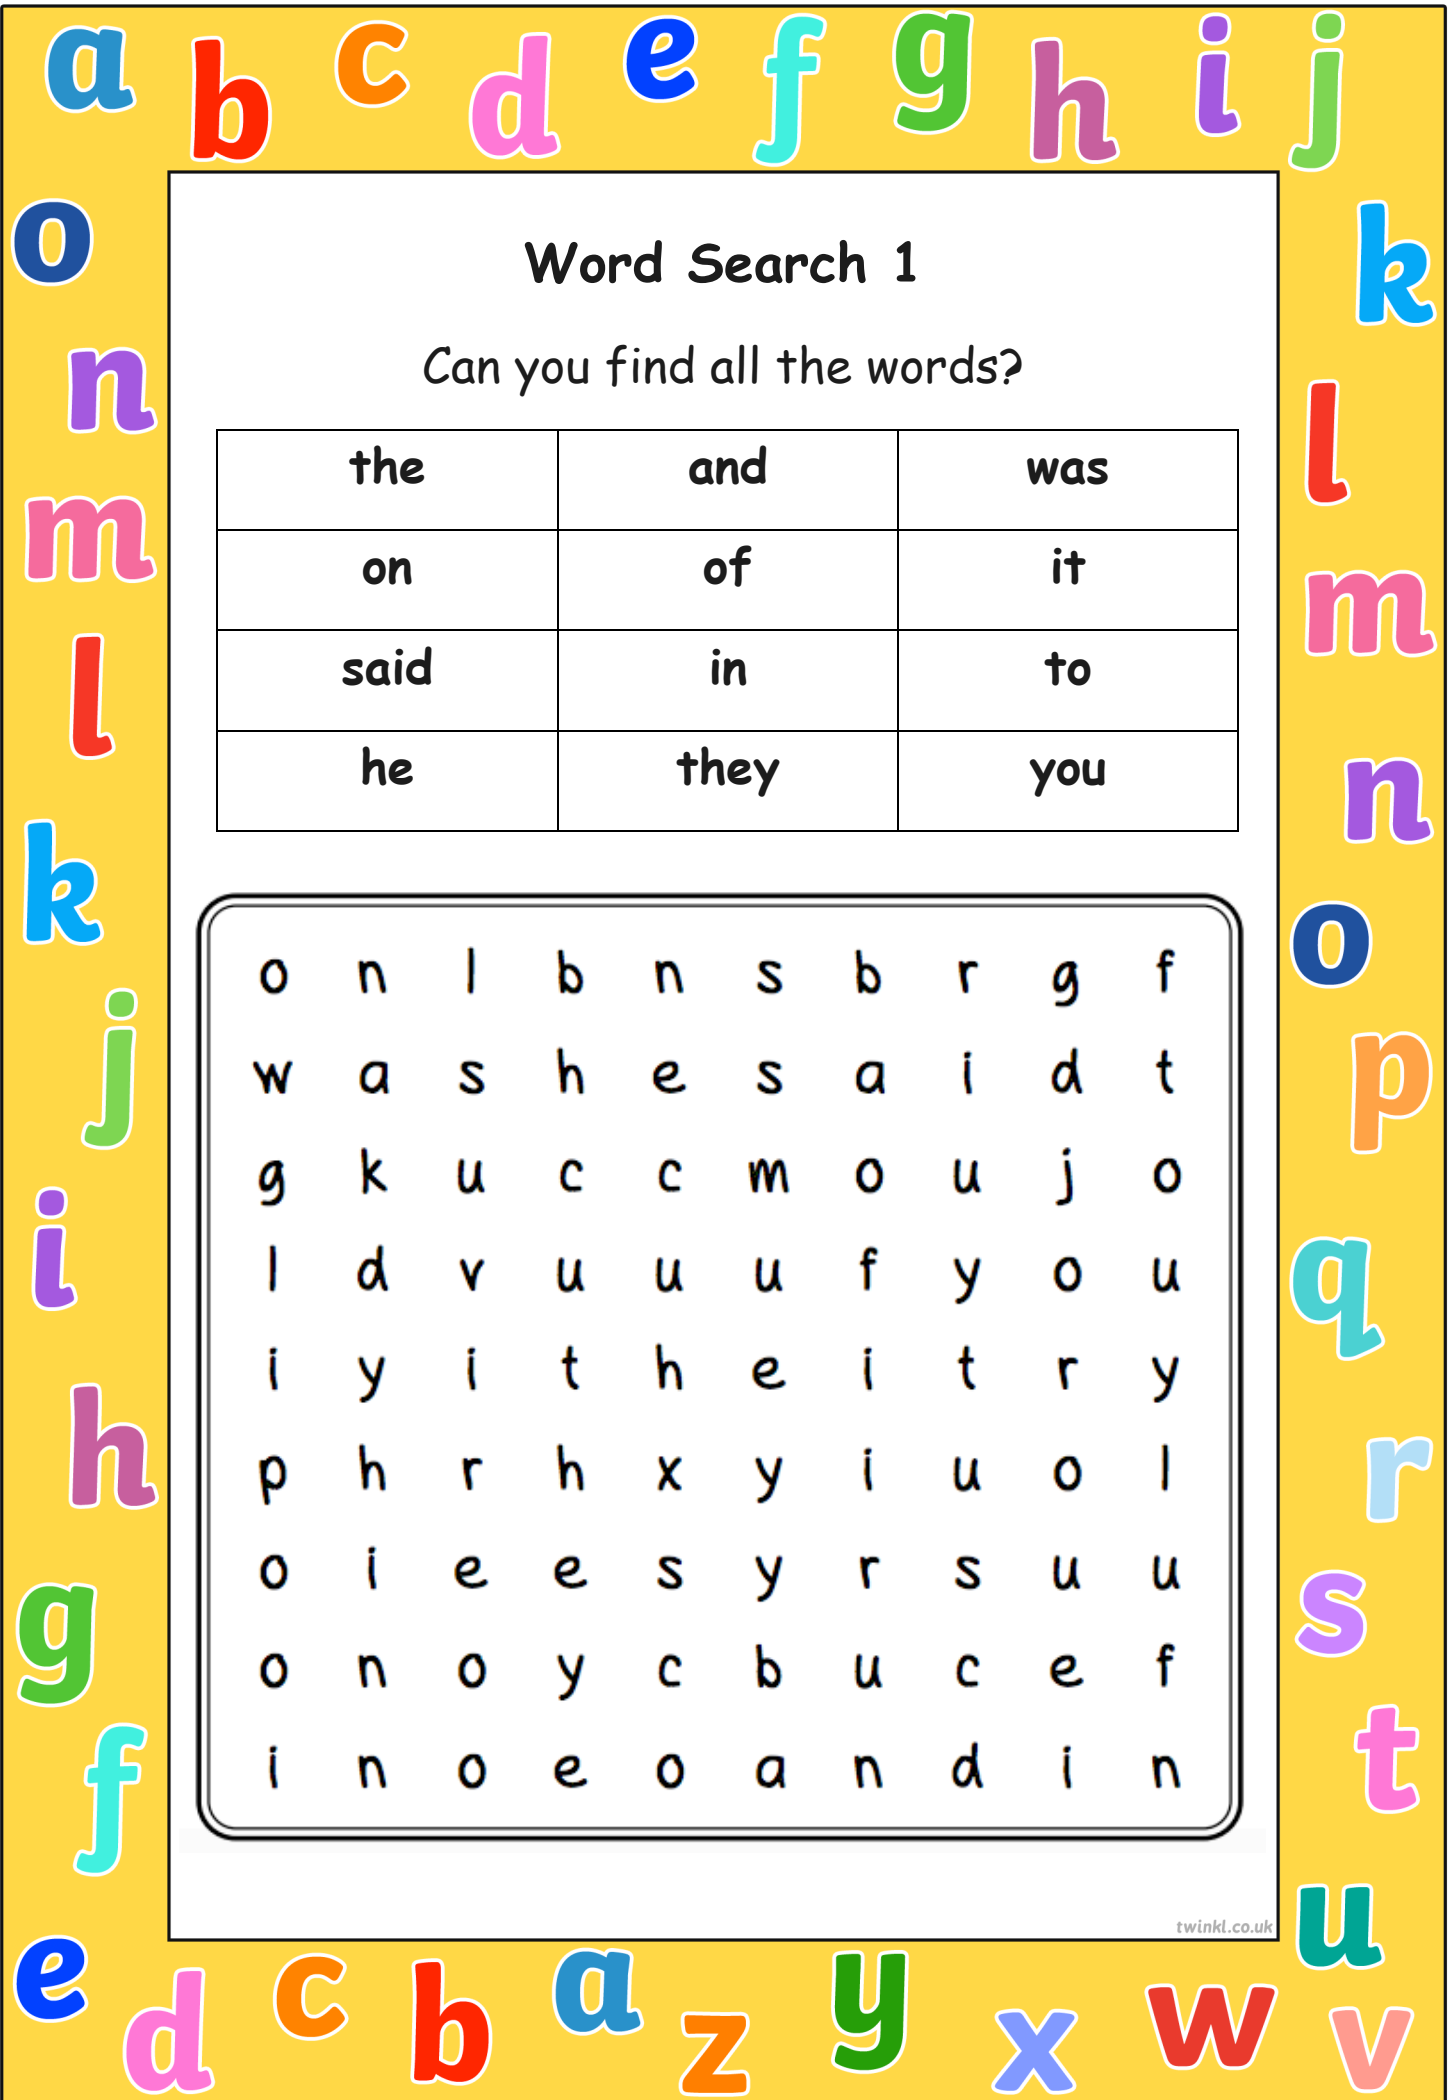

This is a booklet of word searches to help pupils with their spellings.

The booklet becomes progressively more challenging. Pupils do not need to work through the booklet from the beginning but choose the most appropriate word searches. There is also a link in the online resources document that allows you to make your own word searches.

The table below shows the different word lists that have been used for each word search.

Word searches	Word list
1 - 7	100 Frequency Words (Most common words used in writing)
8 - 10	Year 2 Spelling List
