

TOP TIPS FOR A PERSUASIVE SPEECH

- ✓ Make **eye contact**; use your **voice, body language** and **facial expressions**.
- ✓ Make sure your body language and tone of voice fits what you are talking about **e.g. if you're talking about something sad don't smile**.
- ✓ Don't move around too much.
- ✓ **Stand up straight** with your head up and shoulders back- everyone will think you're really confident!
- ✓ Sound like you care about what you're talking about– if you sound bored your audience will be bored too!
- ✓ Use **interesting and persuasive language** – if you just say “good” and “bad” all the time it won't be as effective.
- ✓ Have a **strong opening** so that you grab the
