### Weekly Writing Task

#### Day 1:

An adult to read Gran's Van aloud. Discuss what they have heard. Ask your child to write about where they think Gran might have been going that day. Encourage your child to say their sentences aloud before writing them and for them to use capital letters and full stops.

#### Day 2:

Think about Goldilocks and the Three Bears.

Write a summary of the story.

Encourage your child to think of some more words with the sounds and record them in their home learning book.

Day 3:

Read the spellings from day 1. Children should practise spelling these in the usual format: read, write, cover and check.

They should try to spell them independently by the end of this task.

Day 4:

Read through the real and alien words from the phonics working from home pack that was given.

Day 5:

Put the common exception words into a sentence and underline the common exception word-remember to use capital letters and full stops.

For example:

James went to school on Monday.

Day 3:

Write a letter to the Three Bears from Goldilocks saying sorry for breaking all of their things and eating all their food. Remember to use capital letters and full stops in your sentences.

Start your letter off with:

Dear Three Bears,

Day 4:

Write a story about members of your family and what would happen if they were to go on an adventure.

Day 5:

Write a set of instructions on how to brush your teeth. Remember to use short and clear sentences.

## Learning Project- to be completed throughout the week: My Family

This project should be completed throughout the week. It will incorporate a range of different subjects and topics. The focus this week is on your child's family. It aims to explore the different makeup of families, what traditions your family has, and any stories linked to your family etc.

Family:

This time is for your child to find about their family. Ask them to think about the different members of their family and who they live with. They need to think about who could be the shortest person in their family and who is the tallest.

Your child could interview a member of their family and find out about their history and the things that they have done. They could write questions to ask that family member in their home learning book.

Drawing:

Children to draw a family picture or a portrait of a chosen member of the family member. They could use colour or even create a collage using different materials.

Designing a logo for the family:

The children should think about all of the values and hobbies of their family and try to design a logo that would represent their family. They should consider the colours and images they use. They can write a sentence explaining why they have designed it the way they have.
