## Weekly Spellings

1. **quality**
2. **quarter**
3. **question**
4. **quick**
5. **quiet**
6. **quiz**
7. **squabble**
8. **square**  
**squash**

These are your spellings for this week.  
Write them out three times following the usual format:

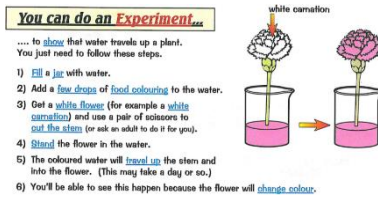

***Look, read, write, cover and check.***

## Weekly Science Tasks

Read 'Water Transport in Plants' on Page 4 of your CGP Science Study book.

### Task

Have a look at the experiment suggested on that page and carry it out. Write a paragraph to describe what happened.

## Weekly History Tasks

Read Page 6 and 7 about 'Uncovering Ancient Egypt' in your *CGP History Study Book*.

Complete the exercise on Pages 6 – 7 in your *CGP History Activity Book*.

## Further Learning Opportunities Project - Plants

This is the **LAST** week for the growing plants project.

You can research information using the internet, or you can use your CGP Science books to get more information in how to go about growing your own plant.

Begin with simple mustard seeds or sunflower seeds. During the project, document the events by doing the following where possible:

- Write a plant daily diary to explain what you have done/what's happened to the seed/plant so far.
- Take photos of the seeds germinating, sprouting and growing.
- Ensure you look after the plant by watering at the correct times with the right amount of water – get an adult to help you monitor this.
- Draw pictures of the plant growing at different stages.
- Do some research and write facts about the plant you have chosen to grow.
- Design a poster showing other children how to grow a plant.
- Create some artwork based on a 'Summer Scene' featuring your chosen plant.
- Write a story about a child who decided to grow a plant – what happened? Think along the lines of the Jack and the Beanstalk fairy tale.
- Design a word search using different plant names.

## Additional Learning Resources

The BBC is providing additional educational programmes. There are videos, quizzes, podcasts and articles that appear on BBC Bitesize daily via the BBC iPlayer, red button, BBC Four and BBC Sounds. New Maths and English lessons are also available every day for all ages.

To access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

Top Marks- <https://www.topmarks.co.uk/>

This is a great website that is free to use and has a range of games for the different subject areas.

Learning games for kids- <https://www.learninggamesforkids.com/>

There a range of games for different subjects. There are games that are particularly good for children to learn to type on a computer keyboard. This is also helpful for the children to recognise the capital letters.
