## Further Learning Opportunities

### Project – Board Game

Over the next few weeks, you will be working on researching and creating your own board game. Below are a few steps to help and guide you:

**Step 1:** Spend some time playing different board games, e.g. Monopoly, Scrabble, Snakes and Ladders.

**Step 2:** Do some research on board games. Write your research down.

**Step 3:** Think about your theme, e.g. trains, dragons, princesses.

**Step 4:** How do you win in this game? E.g. Highest score wins, first to finish wins, elimination.

**Step 5:** How do you play your game? Write a set of instructions for your game.

**Step 6:** Create and make your board game!

**Step 7:** Test your game. Show your family and friends, explain to them what your game is and how to play. You may need to test your game a few times - depending on feedback and your ideas to improve

it.
