## Daily Reading Tasks

Have a look at some online books you can find using the website links in the Additional Resources section. Oxford Owl have a great selection, and you can choose the appropriate age group. Children should read aloud for a minimum of 15 minutes each day.

This week's reading tasks should be based off Pirate Poems, choose a different poem for each day's task. ([https://www.oxfordowl.co.uk/api/digital\\_books/1351.html](https://www.oxfordowl.co.uk/api/digital_books/1351.html))

Day 1	Day 2	Day 3	Day 4	Day 5
<p><b>V21. Fronted Adverbials</b> Find and copy into your exercise book, any sentences which you can find which begin with a fronted adverbial. E.g. <u>As the clock struck twelve</u>, the soldiers sprang into action.</p>	<p><b>I15.</b> Has the author used any vocabulary to try and make you smile or laugh? Write in your exercise book why that word or phrase created humour.</p>	<p><b>P3.</b> Design your own front cover for the book, making sure you give the reader lots of clues about what the book is about.</p>	<p><b>E5.</b> Explain how the author has helped you to imagine the setting.</p>	<p><b>S5.</b> Did you like the book? Why or why not? Now pick your favourite poem from the book and write a review for that poem.</p>

## Weekly Spellings

Children should practise these 10 words in the usual format: read, write, cover, and check.

- |             |              |            |            |              |
|-------------|--------------|------------|------------|--------------|
| 1) science  | 2) teacher   | 3) muscles | 4) fatigue | 5) technique |
| 6) personal | 7) favourite | 8) descend | 9) quality | 10) scenery  |

Put 5 of these words into your own sentences.

### Weekly Science Tasks

Read through section six (**pages 45-50**) of your CGP Science book.

Answer all questions on **page 51**.

In your free time you can read through the Living Things section for extra revision. This weeks work is based on States of Matter, which may be familiar to you.

### Weekly History Tasks

Read **Pages 4 & 5** in your CGP Romans in Britain Study Book and complete **Exercises 1-6 on Pages 4 & 5** in your CGP Romans in Britain Activity Book.

You may need to use your Knowledge Organisers from our Roman topics (Ancient Rome, and The Roman Empire) to help you with the questions.

## Further Learning Opportunities

### Essential life skills

If you have made it to year 4 without learning to **tie your shoelaces**, now is the time! There are lots of videos online to help you learn, try these two short videos and have a go yourself.

[https://www.youtube.com/watch?v=BJY\\_8lLe-9Q](https://www.youtube.com/watch?v=BJY_8lLe-9Q)

<https://www.youtube.com/watch?v=jKIB5UCrUrU>

If you're already a shoe tying pro, why not learn to tie a necktie?

### Keeping fit

This week you should follow along with **Joe Wicks' PE lessons** every morning at 9:00am.

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

### **Pick a poem and learn it by heart.**

Memorising poetry helps you develop your rhythm, your reading skills, and your memory skills. So pick a poem from this website, learn it off by heart (so you can recite it without having to read from the sheet) and give your family a performance.

### **Build a boat**

Are you a budding engineer?

Follow along with this BBC bitesize lesson <https://www.bbc.co.uk/bitesize/articles/z6nkwty> to design and build a boat from everyday household items. When you have built it test it out in a sink or bath, if it floats you can place objects in it until it sinks.

*Challenge: After your first attempt, use the same materials to build a new better boat. Try to make your boat so it can hold even more items before sinking.*

### **Logic game**

Play the free online game Bloxorz. You can play it on a laptop from <http://www.bloxorz.org.uk/> or get the free app on mobile (search Bloxorz in your app store)

Read through the instructions first, and try to complete as many levels as possible. This game will help you learn to think logically to solve puzzles.

## **Additional Learning Resources**

**The BBC is providing additional educational programmes. There are videos, quizzes, podcasts and articles that appear on BBC Bitesize daily via the BBC iPlayer, red button, BBC Four and BBC Sounds. New Maths and English lessons are also available every day for all ages.**
