Weekly Spellings

Children should practise these 10 words in the usual format: read, write, cover, and check.

- | | | | | |
|----------|----------------|-----------------|----------------|-----------------|
| 1) solid | 2) liquid | 3) gas | 4) freeze | 5) melt |
| 6) boil | 7) evaporation | 8) condensation | 9) thermometer | 10) temperature |

Put these words into your own sentences.

Weekly Science Tasks

Read through **Section 6 on 'States of Matter' (Pages 45-50)** of your Science CGP book.
Complete **Page 51** in your CGP Science books.

Weekly History Tasks

Read **Pages 8-9 'Calleva Atrebatum'** in your CGP History Study Book and complete **Exercises 1-6 on Pages 8-9** in your CGP History Activity Book.

You may need to use your Knowledge Organisers from our Roman topics (Ancient Rome and The Roman Empire) to help you with the questions.

Further Learning Opportunities

- **The Great Giuseppe Arcimboldo**- Look at the artwork of Giuseppe Arcimboldo. Maybe recreate some of his paintings with real fruit and vegetables. If not, recreate one of his pieces using pencils, crayons or another material of choice. Alternatively, use fruit and vegetables to create some decorative prints e.g. potatoes, cauliflower or carrots. These could be repeated pattern prints.

- **Energy and Exercise**- Food provides us with energy and we need energy to exercise; exercise keeps us fit. Ask your child to choose a dance from Supermoves. Following this, they can choreograph their own dance. They may want to plan the dance first by sketching ideas for their new routine. Ask them to perform it to the family. Recommendation at least 2 hours of exercises a week.

- **Planning and Preparation**- As a family, design a healthy meal plan for the week. Discuss favourite foods and why they enjoy them? Talk about healthy and unhealthy foods and explain the importance of eating a balanced diet. Why not write the weekly shopping list together and ask your child to categorise each food item? Perhaps you could prepare some meals together? Task your child with measuring and weighing ingredients.

- **Lunch Around the World**- Look at lunch around the world and investigate how people eat in other parts of the world. Can your child locate the countries mentioned on a world map? Ask your child to create a fact file or mini book about their findings. Which country is most similar to the UK? Which is most different? Why? Why not find out about people who choose alternative diets such a vegetarian, vegan or somebody who eats Kosher food?
