Write 3 points FOR and AGAINST the view. Then, write a short summary of what you believe and explain why.

## Learning Project- to be completed throughout the week:

The project this week aims to provide opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc.

**Let's Wonder:** What is a balanced diet? Find out about the 5 food groups. Make slides or posters about what they find out about. Carbohydrates Protein Dairy Fruits and Vegetables Fats. Where does their food come from? Which foods come from the UK? What is fairtrade?

**Let's Create:** Make repeated pattern prints for decorative purposes using various natural materials, e.g potato printing or create some still life observational sketches of fruit. Look at the artwork of Giuseppe Arcimboldo. Maybe recreate some of his paintings with fruit.

**Let's Cook:** In association to **VE Day** (08.05.2020), there are some simple recipes attached in the '**Recipe Booklet**'. This explores the type of food that could have been consumed during the war times and how to create different foods using minimal ingredients.
