## Graduation - Class of 2020

We are exploring the prospect of holding a graduation ceremony for Year 6 during the last week of term. As part of the ceremony, your class teacher will speak about your best memories, what you will miss and what you are looking forward to.

So, on Class Dojo, using the 'journal' feature (not the photo feature) you will need to write a few sentences about

- Your favourite memory at primary school
- What you will miss about primary school
- What you are looking forward to in Year 7

Here are a few examples

### Your favourite memory

- My favourite memory is starting my first day in year 3 because...
- My favourite memory is when I first went swimming. I was so nervous and ...
- My favourite memory is going on our trip to.... in year ... I enjoyed it so much because...

### What you will miss about primary school

- I will miss my friends being all together in one class
- I will miss school dinners
- I will miss having fun afternoons

### What you are looking forward to

- I am looking forward to making new friends
- I am looking forward to learning new subjects in primary school

- I am looking forward to working with different teachers and joining new clubs

Make it as funny as you want!

We look forward to hearing from you, and remember to use the journal feature and not the photo feature. In the journal feature you can type directly into the document, a bit like MS Word. This will then make it easier for us to read.

## Further Learning Opportunities

Watch [Newsround](#) and find out what is happening in the world. What did you find out? Is there anything you need help understanding?

If you enjoy Geography, Sporcle has some great quizzes about different countries, counties and capital cities. The following link will take you to a world map quiz – how many of the 197 countries can you remember in 15 minutes? <https://www.sporcle.com/games/g/world>

## Additional Learning Resources

The BBC is providing additional educational programmes. There are videos, quizzes, podcasts and articles that appear on BBC Bitesize daily via the BBC iPlayer, red button, BBC Four and BBC Sounds. New Maths and English lessons are also available every day for all ages.
