# Free support for Grammar school tests

**Is your child thinking about taking the entrance test for  
any of the King Edward VI grammar schools?**

Atom Home is an online learning website  
to help your child feel confident.

We're offering it **completely free** for  
**Year 3, Year 4 and Year 5** pupils who  
have been registered for free school  
meals at any time in the last 6 years.

## What you get with Atom Home

Atom Home gives your family a clear, structured  
way to prepare for the **West Midlands Grammar  
Schools Entrance Test**.

To find out more, scan the QR code or visit  
[atomlearning.com/pupil-premium/kevifoundation](https://atomlearning.com/pupil-premium/kevifoundation)

# How Atom Home helps your child prepare

## **Tell us your target schools**

We build a personalised exam prep roadmap for your child, giving them a clear plan for each week.

## **Your child covers the right content at the right time**

With 100,000+ multiple-choice questions, video tutorials and interactive resources, they'll master every topic tested in the West Midlands Grammar Schools Entrance Test.

## **We target their areas for improvement**

Atom's adaptive technology identifies knowledge gaps, ensuring your child gets the right level of challenge. You can track their progress in real time.

## **They build confidence with realistic practice**

Mock exams for the West Midlands Grammar Schools Entrance Test help them master exam techniques, build confidence, and know exactly what to expect on exam day.

**Endorsed by grammar schools.  
Trusted by over 75,000 families.**

“

Atom was very supportive, informative and well-structured for learning. The reward system was very incentivising and encouraged competition. It helped and motivated my daughter a lot. - Rana, Birmingham
